

Join a Global Community and Transform Yourself & Your Work!

Nov.  and Dec.  Dates

In times like these, building a socially responsible business can feel both inspiring and challenging.

The global landscape is evolving, bringing new demands and uncertainties, but also incredible opportunities.

At **International Purpose**, we're here to support and uplift businesses like yours, focused on making a positive impact. Our Purposeful Business Incubator (PBI) brings together a global community of purpose-driven entrepreneurs, consultants, and leaders to learn, grow, and navigate with confidence and resilience.

Why Join Us Now? The world needs businesses like yours and to create meaningful change, we must take care of ourselves and teams, build sustainable strategies, and stay adaptable.

In the PBI's you'll find the guidance, community, and actionable tools to make a lasting impact.

Here's What You'll Gain:

- **Clear, Actionable Steps** to boost your impact and income for 2024
- **Insights on Your Unique Challenges** and opportunities to grow sustainably
- **Community Support** with accountability to keep you on track
- **Confidence-Building Exercises** to strengthen your leadership skills
