

PLAY LARGE!

Your Evolution **IS** the Next Work Revolution

Are You Frustrated with Your Work or Business?

Did 2006 Just Not Go the Way You Wanted?

Attend our PLAY LARGE Workshop to reinvent yourself and your work!

- Are you unclear of your 'next right step'? Not sure of your future?
- Do you want to do work and have a life that make a difference but feel stuck?
- Do you feel you are not making the income /or impact you want?
- Are you tired of having the past repeat itself over and over again?
- Isn't it time to step back in order to move forward with a different approach?

If you checked off any of the above, then our **"PLAY LARGE" Workshop** guarantees a quantum leap forward into work that pays more than the bills—it feeds the pocketbook and the soul.

Patricia DiVecchio, President and Founder of International Purpose LLC, will facilitate this workshop. She works with individuals, entrepreneurs and small businesses so they evolve to a higher level of work purpose and productivity. Her work has impacted hundreds of individuals over the last 12 years. She has a BA in Education, Univ. of Pgh., and an MA in Human Resource Development, GWU. Her first book, **"PLAY LARGE – Your Evolution IS the Next Work Revolution,"** will soon be going to press.

The workshop is based on our Seven rEvolutionary Tools™:

1. Developing an Expanded Mental Model for Your Self, Work or Business
2. Leveraging Your Unique Composite of Skills & Talents in the Marketplace
3. Developing Heightened Risk-Taking, Confidence & Courage toward Greater Work
4. Identifying & Overcoming Resistance to Change
5. Developing New Thinking & a 'New Beingness' for New Times
6. Realizing That We Have it All Backwards – Work is NOT a Means to a End
7. Creating Purposeful Work That Is Viable & Thriving in the Marketplace
